

HFC SUMMER TRAINING PROGRAM FOR GIRLS

General Info

The HFC Summer Training Program for Girls is designed to allow female players to be able to continue training within a fun, competitive, and challenging environment throughout the summer. This is a great way for players to keep improving and be prepared for their upcoming club season.

It will consist of 10 training sessions on Mondays/Thursdays at the John B Lewis Soccer Complex (JBL) with multiple registration options.

This training program is open to all HFC Classic female players (birth years 2008-1999). If a player is not currently playing within the HFC Classic Program and is interested in attending, please contact program directors [Jason ReMine](mailto:jason@abysa.org) or [Joey Sasvari](mailto:joey@abysa.org) to inquire about openings within the program.

We will again offer specialized goalkeeper training as part of the program every Thursday. This training will be led by the HFC Classic Goalkeeping Staff.

PRICE:

# of Sessions	Register Before May 26	Register After May 26
10 Sessions	\$12.50 per session	\$17.50 per session

For any questions concerning the HFC Summer Training Program for Girls, please contact jason@abysa.org or joey@abysa.org.
