

HFC SUMMER TRAINING PROGRAM FOR GIRLS

General Info

This training program is designed to allow female players to be able to continue training within a fun, competitive, and challenging environment throughout the summer. This is a great way for players to keep improving and be prepared for their upcoming club season.

It will consist of 10 training sessions on Mondays/Thursdays at the John B Lewis Soccer Complex (JBL) with multiple registration options. This training program is open to all female players ages U10-U19 for the upcoming season (2017-2018) including players born in 2008-1999.

Outside players who do not play within the HFC Classic Program are also invited! If not currently playing HFC, please contact program directors [Jason ReMine](mailto:jason@abysa.org) or [Joey Sasvari](mailto:joey@abysa.org) to inquire about openings within the training program.

We will again offer goalkeeper training as part of the program every Thursday. This will be led by the HFC Classic Goalkeeping Staff.

PRICE:

# of Sessions	Register Before May 26	Register After May 26
10 Sessions	\$12.50 per session	\$17.50 per session

For any questions concerning the HFC Summer Training for Girls please contact jason@abysa.org or joey@abysa.org.
